

TUSCANY

2018 Board Candidates

Below are the residents in the neighborhood who have volunteered to run for the Board of Directors. In order to give residents as much information as possible, prior to the meeting, each candidate has submitted a little information about themselves. You may vote in person at the meeting or by proxy. Best of luck to all!

Del Burke: I am currently a member of the Tuscany Board of Directors. I am a retired high school principal from the Boise School District. In November, 2015 we moved to Tuscany Subdivision. Prior to moving to Tuscany, we owned a home in Buckskin Subdivision in Eagle. I have had experience serving on the Buckskin HOA Board. If elected, as a homeowner, I will do my best to represent the homeowner's in our subdivision.

Warren Cays: My wife T.L. and I moved to Idaho and to Tuscany in July 2014. I am a retired Certified Public Accountant and previous Chief Financial Officer of Heavy Highway and General Construction companies in Arizona. I am the current Treasurer of the Tuscany Board of Directors.

Blake Hill: I am the current Vice President of the Tuscany Board of Directors. My wife, Britani, and I moved into our home in Tuscany with our three small children. Currently, I am a stay-at-home dad, but for the previous 15 years I was a practicing attorney with experience in HOA, homeowner, real estate and land use matters (among other practice areas). I am excited about the opportunity to serve on the board to represent all community members while being involved, diligent and reasonable in my service to the HOA.

Kallie Komoda: I am the current Secretary of the Tuscany Board of Directors. I am a 4th generation Idahoan. My husband and I have lived in the Tuscany neighborhood for almost 12 years and we love so many things about living here. My work history includes working as a Pharmacist for 12 years, and as the Director of Pharmacy for a small local hospital for 5 of those years.

Steven Yearsley: I am the current President of the Tuscany Board of Directors. I have lived in the subdivision for 13 years, and have been involved with the HOA for the past 11 years. I have worked as a civil engineer for 22 years and helped multiple cities with planning and maintenance of their infrastructure. I will use my knowledge to help keep Tuscany vibrant and looking pristine. We love living here and enjoy serving this community.
